Here is a better copy of the response letter. The letter is addressed to Mr. Al Homer, a co-signer of the letter we received, because Mr. Looks for Buffalo Hand died before we could respond back to him.

Thanks Shea.

Valois, can you send Shea a new copy of Douglas' letter in response to the August 2019 letter from Floyd Looks for Buffalo Hand? The pdf copy I sent Shea has a line through it. I think Shea needs a copy without the line through it. Hopefully the UIC program has a cleaner copy.

Hey Paul,

Can you send me a new scan of the attached letter. The attached copy has a redline through all the pages.

Thank you!
Shea

Hi Shea – I don't have the original. Paul Logan in ORC provided that digital copy that I forwarded to you, and it's possible Douglas Minter should have a copy as well. I may be able to help track it down next week when I get back to the office on Monday.

Thanks Shea! – Kim V.

Kim,

Can you scan this document again or bring it to me so I can. There is a horizontal purple line that runs through this scan.

Thanks!

Hi Melanie – I'm following up regarding your question to me about the CMS status for a reply to the Floyd Looks For Buffalo Hand correspondence. I finalized a response, sent the response to ORC for review, and Paul Logan shared that the UIC program already responded to this letter in December.

Apparently, we have 2 assignments to respond to the letter, and Douglas Minter in the UIC program completed this work previously as part of the Dewey Burdock response.

I think that response is fine even though the letter generally didn't speak about the Dewey Burdock matter because the context of the letter likely centers around the Dewey Burdock consultations. Also, the questions in the incoming letter focused around the Region's treaty rights views and the 2016 Treaty Rights Guidance, and some of the same information I crafted as a response is also included in Douglas's letter.

Please let me know what next steps we need to take. Thank you. – Kim V.
